

djemme is a portal for people who like to travel
in a responsible style

*travel with an
open mind*

it provides practical information, cultural spots, travel
experiences, and suggests tours and social projects to visit

*cultivate
the habit of
listening and
observing*

*discover
the enrichment
that comes from
experiencing
another life style*

Djemme
Om

destinations are
morocco and kenya

slow travel

the traveller can make balance between his available time
and the wish of "living" the destination he is visiting

exploring a whole country in two weeks is never a must!
